RESIDENTIAL

14014 Riviera Place NE

This exquisitely renovated waterside retreat is nestled along 75 feet of coveted northeast Seattle shoreline. Inspired by the elegance of Manhattan Beach, this contemporary masterpiece offers breathtaking views of Mount Rainier and St. Edward's Park. The main level features a chef's kitchen and expansive great room, perfect for both entertaining and relaxation. The upper-level primary suite and spa bath are nothing short of magazine-worthy, with a custom dual-vanity, oversized walk-in closet, steam shower, and freestanding tub. The lower level includes an additional kitchen, media room, office/den, wine cellar, and a guest bedroom and bath. Step outside to the meticulously reimagined outdoor space, complete with a low-bank lawn, patio, al fresco bar and kitchenette, hot tub, fire pit, and a newly built dock. The property also boasts a commercial-grade geothermal HVAC system, a rare oversized garage, and parking for 5-6 automobiles, with convenient access to the Burke-Gilman Trail.
